

FCC,

Please share this report with the U.S. OIG (DOJ).

I am attempting to report a serious matter involving Rogue FBI and corruption. Can your offices and the DOJ please assist me and involve the N.J. Governors office. It has been months and I still have not received a reply back yet from the U.S. Attorneys victim witness offices? Arrests still have not been made and U.S. Attorney Philip Kwon was assigned N.J. AG Case#200706634 to prosecute in February 2009? My further Rogue FBI wrongdoing complaints do not appear to be going through directly utilizing the OIG Hotline as I have not heard back from their offices? I have a nine year old daughter Allison Brittany Mills who I have not seen for weeks and my former inlaws are also violating custody obligations even as this matter is set to be prosecuted.

I kindly request financial, housing, legal and medical assistance.

I will continue to report this matter to the DOJ / OIG until I hear back from you or those offices.

Please reply.

Sincerely,

Richard Mills

Subject: Request Assistance - N.J. AG Case#200706634

Senator Beach,

Sorry that I missed you today. I left Nicole of your office with a list of names and telephone numbers of contacts with the U.S. DOJ Public Affairs Office and the U.S. Attorneys office. I have made

numerous telephone calls to those offices. I am copying the N.J. U.S. Attorneys Public Affairs Office and the U.S. DOJ on this message.

Arrests still have not been made to my knowledge and per Senator Beach's letter (attached) New Jersey U.S. Attorney Philip Kwon was assigned to prosecute N.J. AG Case#200706634 in February 2009?

I am again kindly requesting that U.S. Senator Menendez's office also please assist to communicate with the appropriate DOJ offices to ensure I receive victim witness assistance shortly.

Sincerely,
Richard Mills

Subject: Guidance

Good afternoon:

I am emailing on behalf of Mr. Richard Mills. I do have most notes on Mr. Mills, however, my last correspondence says that Phillip Kwon was overseeing his case and we I spoke with Mr. Kwon he stated he has passed the case to the prosecutors office. May I have a contact person/number to follow up on this case please? Thank you in advance.

Subject: RE: Victim Witness Assistance Requested

Melissa,

1) I'm the victim of Burlington County N.J. Superior Court Divorce Fraud.

N.J. Attorney General Case#200706634 (MaritalTheft / Court Fraud)

2) A murder attempt was made on my life at West Jersey Hospital Voorhees, N.J.,

Many medical providers failed to treat me and AETNA is investigating.

3) Because of Fraud & Theft I was no longer able to afford to pay rent of \$1,200 per month plus utilities for the 4 Bedroom home located at 5 Sherman Lane Sicklerville, N.J. 08081 I rented for my daughter and I. I had to move in October 2007 because of Fraud.

4) Because of continued Fraud and Obstruction of Justice I later was Evicted in August 2008 from my 1 bedroom Castlebrook Apartment located at 550 S. DuPont PKWY Unit 9-D New Castle, DE 19720 . I was no longer able to pay the \$680 monthly rent plus utilities because I did not receive appropriate assistance. I resided at a homeless shelter in Wilmington, Delaware for several months.

5) In 2007 Medical Providers in the states of N.J., MD, PA & Florida fraudulently billed AETNA & I for several thousand dollars. AETNA is also investigating Fraud.

6) My credit was ruined. My three tier score went from a 800 + in 2004 to a sub 500 score currently because of Injustice. I paid out approximately 85K in fraudulent medical bills, attorneys fees, alimony, child support and other expenses. My ex wife and her family stole millions and Burlington Superior Court unlawfully denied my ability to Subpoena financial records. My 1999 & 2000 Tax Records were stolen and the FBI & IRS Obstructed Justice and prevented lawful retrieval of those records.

7) I was also unlawfully denied free legal services in the States of N.J. & Delaware by the Volunteer Legal Services Corporation. I was prevented from bringing Fraud to the attention of the Delaware Federal Bankruptcy Court.

8) I was a victim of Police intimidation and my life was also threatened several times by members of N.J. & Delaware Law enforcement. I had a gun pointed towards me by a Winslow Police Detective and a Delaware State Trooper ordered me to the ground and threatened to use a stun gun on me if I did not stop trying to file charges against F.B.I. Special Agent William DiCola and others.
